5. [] is on leave from October 6 to October 10 inclusive.

25X1

6. Two possible candidates have been interviewed and five files reviewed. It appears that five candidates will be qualified for the Sixth Intelligence School at the time it opens. Actions for eight others are in process.

7. Arrangements are being worked out with [] whereby each Junior Officer in the Intelligence School will be given training tailored to fit his academic and experience backgrounds. In certain cases this will result in assignments in specific projects.

25X1

8. Assignment of the four Junior Officers now in the Intelligence School will be completed today.
